Big Citi Loops' Boomin Trap Bundles (Vol. 1-9) is filled with 49 Construction Kits that are inspired by Metro Boomin. It's loaded with roaring 808s and graceful flute riffs and grabs the attention of listeners immediately.

Are you looking for something that will elevate your music production? To personalize the sounds, you can use the WAV files within your favorite DAW. All sounds were processed and edited with professional outboard gear in order to preserve authentic analog warmth.
