Lara Jade – Fashion Foundations Capture Once Styles: Introducing the 'Vintage Tones' Style set is ideal for portrait, fashion, or bridal photographers seeking to infuse a nostalgic touch into their images. Inspired by whimsical fashion editorials in the studio and on location, this set is characterized by desaturation, moody tones, and a range of vintage-inspired color options, including split toning in the shadows, resulting in an antique yet modern look. Whether you're a portrait photographer aiming to add drama to a portrait or a fashion/bridal photographer enhancing the storytelling aspect of your images, you'll discover multiple styles that suit your needs.

What's Included:

- 16 Essential Capture One Styles
- Installation & Usage Guide
- PDF Style Guide with action descriptions and favorite combinations

All Capture One Styles have extensively tested various images to ensure optimal performance. The 'Vintage Tones' Set performs exceptionally well in various lighting scenarios, particularly on images with good or near-perfect exposure. Some manual adjustments may be needed for heavily under or overexposed images or selective skin toning and color masking.

Elevate your imagery with the 'Vintage Tones' Style set, adding a timeless and captivating aesthetic to your photography.

- Compatible with MAC & PC
- Works with Capture One version 11.1 and higher (.costyle format)
- Fully adjustable and non-destructive presets
- Compatible with JPEG, TIFF, and RAW images, with the best results in RAW format.
