Product Promo V3 (Videohive 52168747): This videohive package is a versatile and dynamic After Effects template to streamline your video production process: 'Text and Image Slideshow.' With 22 text placeholders, one logo placeholder, and five image placeholders, this template offers endless possibilities for creating captivating and engaging slideshows.

How can we make more creative product promos?

You can use "Product Promo V3."

Compatible with After Effects CS6 and higher, this template features a full HD resolution of 1920x1080 and a duration of 25 seconds, ensuring high-quality results for your projects. With all elements created directly in After Effects and no need for additional plugins, you can dive straight into customization without hassle.

"Product Promo V3" Samples:

While audio and preview images are not included, this template offers easy colour control and fast rendering, allowing you to personalize your slideshow quickly and efficiently. Whether you're creating promotional videos, presentations, or personal projects, this template provides the tools you need to bring your vision to life.

Elevate your video content and impress your audience with the Text and Image Slideshow template, a versatile, dynamic storytelling and visual communication solution.
