in a modern, desaturated finish.

Fifth Element

This earthy preset will make you the 5th Element! Grab your multipass and grab it now! This preset is great for landscapes as well as portraits.

Mount Airy

This light-and-airy preset has a powerful combination of brightening and desaturating greens and a high-key finish. We decided to call it Mount Airy!

November Rain

This moody and dark preset will transform any happy image into an anxious teenager at the high school prom. November Rain will add cold tones to your image and dark green and teal split tones.

Almost Famous

This preset will transform you into calm, cool, and collective Lester Bangs. Your digital image will be transformed into film with matt blacks and deep grains. You'll become a Golden God!

Prestige Worldwide

Prestige Worldwide allows you to sail around the globe and visit ports worldwide. This preset will help you achieve a vibrant, professional edit in just one click.

Eckert

This preset was named after Stephen Ecker, who designed them--this one is his favorite. That's enough.

Winnebago

Winnebago is a world full of deep browns, and blue accents, so start the engine! This preset will transform any photo into a vintage, rustic image.

MDMA

Get ready to party with MDMA, so get out your neon outfit and glow sticks! This preset will blast your images with crazy colors from every part of the rainbow. It will make you feel like you're at the rave and not editing them!

Mentos

Mentos is fresh and vibrant and can soften and clean up any image to make it brighter, lighter, and more beautiful.

Zoolander

Zoolander can transform your photo into something unique! It will transform your image into a runway-worthy masterpiece with magenta and blue undertones.

Canadian Tuxedo

After applying Canadian Tuxedo, remove your denim jacket and show it off! This preset will send an avalanche of blue colors straight to your photo, and it's all about the cold tones!

Walter White

This preset is not for the faint of heart. Walter White will transform your ordinary photo into a science experiment with muted blacks and creamy whites.

King Contrast

All hail the King! King Contrast can transform your flat RAW file into a super crispy image. This powerful preset will add contrast to your photo and work well with skin tones!
