DVLOP - Gabe McClintock - Sonder:

The SONDER Pack by Gabe is a blend of more than one and a half decades of Gabe's wedding photography work, which is the result of his creative exploration. With the right mix of simplicity and sophistication, SONDER can hold Gabe's effortless style, plus his ability to craft more robust, elegant presets. These presets augment light and shadow's interplay while assuring neutral flesh tones and an appropriate look in all lighting conditions. SONDER is the complete set of tools for photographers who want to improve their level. Including dual illuminant camera profiles, ISO adaptive competence, and Lightroom Mobile presets.

Includes:

- **SONDER Preset:** The well-balanced and adjustable preset for all lighting conditions focuses on natural skin tones and changes in light dynamics.
- **Sonder BW:** This monochromatic preset embodies Gabe's ideal vision of the world in black and white.

Modifiers

- **Color Contrast (+/-):** This adjustment caters to the increased or reduced contrast during oversaturation or underexposure of a scene.
- **Detail +:** This option enhances the level of detail and texture.
- **Dynamic Range +:** Enhances the quality of detail captured in the highlights and shadows.
- **Grain +:** Applies a grain effect reminiscent of film.
- **Mood Grading:** Adds toning to images of different colors within specific range limits.
- **Subject Brush AI:** Marks subjects with added precision using AI.
- **WB Cool/WB Warm:** Effects of synthetic blue hour or warmth can be captured.

Compatibility:

- Adobe® Lightroom® Classic 7.3 or higher
- Adobe® Camera Raw 10.4 or higher
- Lightroom Mobile presets are also available (need to be synced with LR Desktop).
- Works with a variety of lighting.
- Dual Illuminant camera profiles (only LR Classic and ACR).
- ISO Adaptive Presets (available on LR Classic 9.3 or higher.)
