

15 Glows Presets for Lightroom By Pro Preset Studio

2025-02-10 17:08:28 label 我要反馈 下载页面

The premium presets are available in .xmp or .dng format. These preset look great on portrait, outdoor, moody, bright, landscape, and portrait photography. This package is perfect for your Instagram account. Each preset was created by professional photographers to look great with a variety of images.

These preset for professionals are intended to enhance workflow when processing and editing photos. They also have a trendy and modern look. Warm tones, saturated/faded, and matte skin. This pack is everything. This is a must-have collection for photographers, bloggers, and designers. These adjustments have been tested with different photos and worked well. These adjustments are smart and simple, so they work well with Lightroom 3.x through CC. The effect will remain the same. These presets can be used with any type of photo.

VERY IMPORTANT FEATURES Our team will not provide 100-in-1 presets. They may have minor differences between each other. Bundles are exempt. We are respectful of our customers and strive to offer high-quality products. These preset do not alter the WB (White Balance) of your image. They work with color, exposure, and contrast. These preset work with WB (White Balance) of your image. They can be customized for both MAC & PC as well as MOBILE. Adobe Lightroom 3.x to CC, and Lightroom mobile
