

# Pepper's Gradient Maps

2025-02-10 17:01:42 label 我要反馈 下载页面

Pepper Yandell has built these 176 gradient maps during his entire nine-year automotive photography career through thousands of automobile shoots, as well as trial and trial. Now, they're accessible for you to download at the click of one button. Within seconds you can toggle through all the hand-crafted gradient maps to discover the perfect look to finish your editing.
