

SFXtools Screeches and Creaks WAV

2025-02-10 17:07:13 label 我要反馈 下载页面

"Screeches and Creaks" is a collection of specially designed sound effects developed through SFXtools' SD team using authentic recordings of various materials that creak, squeak or screeches.

This small collection contains 40 specially designed effects including creaking trees, crackling doors for halls, extremely old metal door squeaks that sound rusty and stone cracks, wood floor cracking high-piercing squeaks creepy metal squeaks, rumbles, and rattles. Every sound contained in the folder was recorded at 24bit/192kHz is produced and produced in industry-standard 24bit/96kHz, to guarantee the best quality for today's needs in cinematic production.
