Due to the request, Blvck Paris is finally making its own set of Mobile Presets.

These presets can allow you to modify your images to have a dark minimalist and "Blvck Paris style in only two clicks.

Blvck Paris Preset Pack contains 5 different presets:

- **The Black Signature Set** gives the "Blvck Paris Signature Filter' to your images
- **Rainbow preset:** create a dramatic and moody effect on your pictures
- **Pitch Blvck preset:** gives an intense and dark filter to your photographs
- **Fade Presets:** give a dreamy and romantic mood to your photos
- **What Preset?** give an attractive and fresh filter to your images

Preset filters are quick and easy options for those who want to add a minimal and distinctive look to their pictures. These presets can be added as filters to edit the look of your Instagram feed.

These presets are available for the mobile versions of the Lightroom application (iOS as well as Android) and are also available for the desktop versions of Lightroom.

The presets have been tested extensively on a variety of styles of images and typically look fantastic after just one click. In some instances depending on the photo and the quality of the photos, some images might require further editing.

What's included?

- 5x mobile presets to use with Lightroom (.DNG file)
- Forex Presets for Desktops (.xmp files)
- 5x LUTs to edit video (.CUBE files)

Instant Download:

After your payment is authorized after which you will receive an email with a download link within a few hours.

The reason why it happens:

- Let your photos go to the highest level by using the **professionally designed** and fresh filter.
- Super **simple** to use when using the no-cost Lightroom application.
- The process is extremely quick. Simply upload your photo to your Lightroom app, select one of our five presets, and your photo is now ready for posting on Instagram
