Online Learning Course Promo VH-34913010: Distance education, also known as distance learning is the learning of students who might not be physically present at school. In the past, these were usually correspondence courses in which students communicated with the school via mail. It is now a form of online education.

With this template, you can prepare a presentation for your interactive school or online school. You can also create promotional materials of online classes (MOOCs) that offer large-scale interactive participation and free access to online platforms like the World Wide Web or other networks, which are the most recent learning methods in distance education.

Online Learning Course Promo is an extremely universal, high-quality well-organized, and simple-to-customize template. Simply drag your photo or video into the template, alter the text, then add audio, and have fun with the outcome!
