Grey Minimal Laptop Gallery VH-38022826: The most effective way to advertise your laptops or website is This template! A unique project to promote the promotional websites or landing pages in modern style and with original motion design.

Grey Minimal Laptop Gallery is a template that can be used to demonstrate and advertise services, applications as well as websites, and their user interfaces for Laptops (MacBook). These placeholders are ideal for video, screenshots, or any other animation.

You can also make use of this project as a MacBook mockup template. Each scene is pre-rendered. If you want to create video ads for a computer store, make use of this template! Web promo is the continuation of the well-known series that is completely designed using After Effects. It is a great way to advertise your brand new app or site! Simply drag a photo of your website onto your screen's placeholders and alter the content and display.

- Adobe After Effects CC 2013...CC 2023 and later software
- Full HD (1920x1080) resolution available / 25 fps
- 0:45 min final duration
- 8 unique pre-rendered scenes
- Nine placeholders to use for your media
- Universal expression is available. You can work with any software that supports languages.
- No plugins are required. 100% After Effect
- The font used in the preview is not included. However, the links are within the PDF
