Seashells Collection CreativeMarket - 5962683: Are you missing summer? that's me too! So I created this collection to recall my first joy of collecting these tiny treasures from the beaches and then changing their colors.

This **collection of seashells** is extremely vibrant and playful, making it an amazing and unique finishing touch to your design.

Compatible with Adobe Illustrator, Adobe Photoshop, Adobe Photoshop Elements Other

- The seashells are 68 pieces of coral reefs (AI Cs6, eps10, and PNG that have a transparent background.)
- 12 seamless patterns (Adobe Illustrator CS6, Eps10, and png without transparent background 300 dpi jpg.)
- 8 frames (Ai cs6, EPs10, and png with a transparent background.)
- 6 compositions (Ai cs6, eps10 PNG with transparent backgrounds.)
