Procreate Tutorial 2023 by Marie Dautel: Welcome to "Learn How to Draw Cute Animals in Procreate"!

Have you ever wondered how to master drawing adorable animals on your iPad using Procreate? Look no further! In this risk-free, top-notch video lesson series, you'll unlock the secrets of creating charming cartoons step by step. Whether you're dreaming of illustrating cute dog portraits, playful penguins, or lovely llamas, this course is designed to make the learning process enjoyable and accessible.

Key Learning Points:

- Inspiration Hunt: Discover how to find inspiration for your cute animal drawings online and offline. Uncover the magic of Pinterest and other internet sources, and download a handy link list for convenience.
- Procreate Toolbox: Navigate the Procreate toolbox with ease. Learn to import Procreate color palettes and brushes, with a particular focus on where to find unique brushes online.
- Color Palette Magic: Delve into the enchanting world of color palettes. Import three free, ready-made palettes tailored just for you, including boho, scandi, and mid-century options. Master the art of color theory to bring your drawings to life.
- Step-by-Step Drawing: Follow along as we draw together, starting with a cute dog poodle using a reference photo. Gain insights into constructing various animals, including alligators, kangaroos, cats, dogs, elephants, elk, frogs, hippos, horses, koalas, owls, parrots, pigs, shrimp, snakes, spiders, squirrels, tigers, toucans.
- Creative Workflow Evolution: Enhance your Procreate skills by incorporating gestures into your workflow. Enjoy a free cheat sheet to master Procreate gestures and streamline your creative process.
- Fun Quiz: Embark on a delightful quiz to discover what kind of crazy animal you are. It's a lighthearted way to add some personality to your creative journey.

Imagine the Possibilities: Unlock your creative potential! With the skills gained from this course, you can illustrate charming animals, sell your artwork on platforms like Society6 or Etsy, or even start your own illustration business. The sky's the limit!
