The Light Leaks 3 Package is a 9-texture package set to Provide these Escapes a more natural feel and generation. These mild leaks mirror those That you'd find happening naturally in an older or damaged 35mm camera. They're Fantastic for supplying soft coloration or for incorporating film-type personality To digital shots.

- Contains 9 high-resolution
- 4000x4000 pixel textures with An *infinite business permit.

Utilization: This package is best employed with the "Screen" Blending style in Photoshop, Photoshop Elements, or some other program that Allows layering graphics with mixing modes. Make Sure You experiment with Different combination modes.
