4 packs and more than 60 Lightroom Brush Presets

This bundle contains 4 packs and more than 60 Lightroom Brush Presets. You'll be able to greatly improve your editing skills.

These brushes will allow you to create professional-quality portraits. They can also add depth and texture in photos, enhance the lighting, and dodge and burn advanced photos.

Presets for Lightroom Brush are quick and easy ways to make adjustments to specific areas in your photo. These presets can be used with the Adjustment Brush and Radial & Graduated filters in Lightroom.

### What's included?

This is a simple and quick way to make your photos stand out! These easy-to-use retouching tools will help you achieve professional results in Lightroom.
