Hi-Tech Modern Businessman - AE Project 16425981: The After Effects Entrepreneur Concept Project "Hi-Tech Modern Businessman" is flexible and universal. As a Video Corporate Opening, this environment is modern and minimally touch-screen. It will highlight your products and services. Drag and drop your content: images, videos, logos, illustrator file/shapes, or text to suit your needs. This is ideal for digital marketing agencies, high-tech or financial businesses, global business consultants, big data and ai cybersecurity centers, as well as other purposes.

- Modular project structure: Drag your logo, photo, video, or shape into the placeholders. You can also leave some empty.
- You can switch off reflections over contents separately
- For a cleaner version, you can turn off light leaks and blurs!
- To open and customize video, the software is required **After Effects CS5 or newer** You can use the trial version of After Effects to render. You don't need any plug-ins (you can render with the trial version Of After Effects!)
- **Video tutorial** Included are voice and written documentation
- Amazing **Music** Used in preview video **Not** Included
