Brush End Screens for After Effects VH-53533010:

Brush End Screens for After Effects a creative template featuring brush-style animated end screens for social media videos.

Easily customize by adding your channel address, logo, and adjusting scene colors, texts, and media.

Ideal for stylish outros, channel promotions, vlogs, podcasts, and more, this template adds a hand-drawn, colorful touch to your content, encouraging viewer engagement.

Project features include 4K resolution, full color controls, and compatibility with After Effects 2021 and above.
