#### What is True Grit Texture Supply?

True Grit Texture Supply is a company that specializes in creating high-quality textures and design resources for digital artists, illustrators, and designers. They offer a range of products including brushes, textures, and Photoshop plugins that are designed to add depth, realism, and unique visual elements to digital artwork.

Their Photoshop plugins are likely tools or add-ons that integrate with Adobe Photoshop to streamline various design processes or add specialized effects. These plugins could include features like texture overlays, vintage effects, brush packs, or other tools to enhance the creative process within Photoshop.

True Grit Texture Supply's products are often favored by artists looking to add organic, tactile elements to their digital work, giving it a more handcrafted or vintage feel. Their plugins are designed to make it easier for artists to achieve these effects within the Photoshop environment.
