Famous Audio Ethereal Symphony (WAV):

We are delighted to present Ethereal Symphony - a meticulously constructed sample pack designed by our team of skilled sound designers. It features a unique mix of soft chill sounds and an orchestral sound that is brimming with luscious melodies and captivating beats This collection is sure to add freshness to each track, regardless of whether you're creating chill-out ambient, cinematic electronica, downtempo, liquid DnB or modern-day IDM as well as experimental and electronic music.

From hypnotic beats to icy colors, The pack contains numerous sounds that will make your projects more lively. It contains 125 loops, with a range of 90 to 140 BPM, and keys-labeled melodic instruments such as synths, strings, and pianos in addition to pads and bass as well as numerous loops of drums and percussion. The sample pack includes every instrument needed to create rich, nuanced harmonies as well as lush soundscapes. The package also includes 75 well-crafted one-shot sample samples which provide you with the greatest selection of drum songs, including claps, kicks, and hats, along with percussion and additional FX. With these acoustic samples available, the possibilities for sound exploration and imaginative play are endless.

If you're looking for a way to add the illusion of depth and texture to your work or create something entirely fresh, Ethereal Symphony has got you covered. Don't delay in making your masterpiece today!
