Crystal Slideshow (Videohive 23211695) - AE Project: Hey there, my friend! Dive into our latest creation on Videohive – the Crystal Slideshow. Craft an incredible show featuring your photos, videos, and logo. This versatile template is perfect for creating a film trailer or a futuristic presentation that leaves a lasting impression.

Our project incorporates intricate distortion effects, which may result in longer rendering times on non-professional PCs. However, this meticulous approach ensures a high professional visualization quality, and we're committed to maintaining that standard. The project reflects weeks of hard work, and our goal is to deliver top-notch quality for your enjoyment.

Enjoy the creative journey with Crystal Slideshow and experience the professional quality we've poured into every detail.

- After Effects CC 12v. or later
