DCxJB Couture Pack:

The Dawn Charles x Josie Brooks collaboration introduces The Couture Pack, a preset collection designed for Lightroom Desktop and ACR. The pack combines a timeless, vintage, and film-like aesthetic with a high-end, fashion-forward style.

It includes 6 color and 2 black-and-white presets, offering a natural yet editorial enhancement for photos. The presets aim to evoke a classic, editorial vibe while maintaining a timeless quality. The pack also comes with an installation guide and an editing tutorial.
