Avanquest Architect 3D Ultimate Plus v20.0.0.1033 (Win):

ARCHITECT 3D is an advanced home design application featuring an exclusive LuxCore module for photorealistic 3D rendering. It allows users to design, equip, and decorate their homes and gardens in 3D, offering a step-by-step approach to creating customized living spaces.

- **User-Friendly Design Tools:** Includes a Quickstart™ wizard for easy floor plan creation, editable house plans for inspiration, and the ability to trace scanned plans.
- **Presentation and Visualization:** Offers Sheet Layout Mode for construction documents, a PhotoView™ feature to integrate existing home photos, and high-quality 3D rendering for real-time project visualization.
- **Comprehensive Editing Options:** Users can easily modify walls, roofs, and other structures, and design pools using automatic generation tools.
- **Extensive Libraries:** Access to thousands of 2D and 3D objects, flooring materials, and a workshop for creating customized objects.
- **Advanced Viewing and Estimation:** Provides various viewing angles, virtual tours, and material cost estimation tools.
- Spray Topography for easy 3D landscape creation.
- Custom Subplans for organized project details.
- Floor Visibility Control for enhanced customization in 2D and 3D views.
- Batch Rendering for efficient high-quality image production.
- New editing tools and templates to streamline the design workflow.
- Enhanced 3D innovations for improved visual quality.

This comprehensive suite empowers users to bring their dream home designs to life with ease and precision.
