

## Film Burn Light Leak Transitions and Cinematic LUTs Overlays Bundle (VideoHive 55742030) - AE Project

2025-02-10 16:48:48    [label](#)   [我要反馈](#)   [下载页面](#)

- **Resolution and Frame Rate:**
  - Full HD (3840×2160) resolution ensures high-quality visuals.
  - Smooth playback with 30 frames per second (fps).
- **Transitions and Scenes:**
  - 12 unique transition scenes designed for seamless storytelling.
  - Each transition includes placeholders for adding media (photos or videos).
- **Overlays:**
  - 12 creative overlays to enhance the visual appeal of your projects.
- **Color LUTs:**
  - 30 color look-up tables (LUTs) for professional-grade color grading.
- **Software Requirements:**
  - Built entirely in Adobe After Effects, ensuring full compatibility and flexibility.
  - No additional plugins are required, simplifying the workflow.
- **Ease of Use:**
  - Highly customizable templates for quick personalization.
  - Optimized for fast rendering to save time.

This setup is perfect for professional projects, with robust features designed for efficiency and creative flexibility.
