#### Scull And Bones Logo for After Effects (VH 54522723) - AE Project :

**Scull and Bones Logo** is a dynamic Halloween-themed template designed for showcasing logos in a sinister style. Ideal for social media videos, brand presentations, and advertisements, it allows users to easily customize their logo, tagline, and colors.

- Animated logo reveal
- Complete color control
- Included font and music links
- Video tutorial for guidance
- Compatible with After Effects 2021 and later

#### Package information

The After Effects project, published on September 26, 2024, features a resizable resolution with one media placeholder and one text placeholder, designed for use with After Effects CC.
