### Gavin Seim – Classic Vinyl – Pure Lightroom Presets:

**Improved Post Processing** If you're a professional photographer who loves top-quality post-processing, Classic Vinyl is for you. It provides pure color, blazing speed workflow as well as creative perfection available to you. You can slow the speed and grab it with your Classic Vinyl.

- Pure color that isn't overprocessed!
- Multiple strength tools for rapid editing.
- Creative workflow, with a focus on quality.
- 35 presets that are pure and optimized to be versatile.
- Use it as a standalone collection or with other SEIM collections.

**PURE Processing** Remove the clutter. Certain images require just a simple cleaning process. Many software systems emphasize the over-processed look to attract attention. The classic Vinyl claims that "pure is power" and that less is more when it comes to 35 pure pre-sets.

**Save time:** Careful planning makes Classic Vinyl a creative kit that's lightning fast. Find the procedure you require today. It is great on its own, but it also plugs into Power Workflow for those who are looking to extend their tools.

**Amazing Color:** Stand out by displaying pure beauty in a world that is over-processed! Classic Vinyl takes us to the base with simplicity and boldness that doesn't care about the latest trending fashions. It's about making your work shine.
