

BlenderMarket – Import As Decal v2.5

2025-02-10 16:59:57 [label](#) [我要反馈](#) [下载页面](#)

BlenderMarket – Import As Decal v2.5: Import As Decals is a no-cost addon for Blender that lets you directly import images as Decals/Stickers. It also includes a sophisticated shader.

Some of the new Features in the RanTools(and P-Cutter) Addon Include:

Installation:

- Preferences > Install > Select "Import As Decal.zip"

Usage:

- Import directly by using directly from the Blender Add menu.
- Modify the appearance using your N-Panel (under Item) or the shader editor
- New HDRI Library with Fast Cutter Mode, P-Cutter
- Better Cable and Cloth Simulations
- Support for asset browsers in the Material Library.
