What does it mean?

The Essential Transitions pack was designed for users of different levels of proficiency. You'll be able to use it easily even if you're just a novice using Premiere Pro. All the transition presets that are included in this pack come from MOGRT files developed in After Effects using its native effects. This means you'll have the highest quality-looking transitions, with effects like Optics, Lens, Glow, Distortion, Camera Blur Tiling, and Chromatic Aberration, and many more, all within Premiere Pro!

- MYFX v3.0 Extension
- Over 2600+ Transition Presets
- Unique Sound FX for every class
- Over 240 titles, scenes, and Lower Thirds
- 7 Frames with Graphic Details as well as Controls
- Twelve Viewfinders and Controls
- It is extremely simple to use even for novices in Premiere Pro
- MOGRT-based presets are not required, there is no need for a lot of adjustment layers
- The project is compatible together with Premiere Pro 2021 (15.0.0) and higher
