The Abstract Nature TV Mockups Template offers a contemporary design influenced by natural elements.

How to use templates to create impressive promotional videos and media displays in After Effects?

You can use "Abstract Nature TV Mockups" to design your project.

Comprising four mockups, it is ideal for crafting impressive promotional videos, presentations, and media displays with a creative flair. User-friendly and customizable, it allows quick color adjustments to align with branding preferences. **Features** include compatibility with Adobe After Effects, FullHD resolution, straightforward usability, rapid rendering, and independence from additional plugins. Note that music and preview videos are excluded from the package.

Package information

As of June 13, 2024, the Abstract Mockup Template, compatible with After Effects CC, includes After Effects project files among its offerings.
