A carefully curated collection of my most-used presets!

Over 40 Presets, including:

- Shakes/scales/slides
- Text effect is not in compliance with the curfew
- Particles that cause longevity
- RGB effects that prove that you're cool
- Blinding your audience with a few blinks
- Use CCs to hide those flaws

... And more!

Plugins are recommended:

- Sapphire
- Twitch
- BCC
- Magic Bullet Looks
