Get Down Samples Presents SFX Vol 1: Get Down Samples presents SFX Vol 1 that showcases the latest trend in underground House Music with uplifting tracks and swooshes specifically designed to provide more dimensions to productions.

SFX Vol 1 contains over 200 MB of content, featuring over 60 individual Swooshes and hits

The entire SFX Vol. 1 samplers are around 125 BPM, making them simple to mix for inspiration.

The music used in the demo is taken only from the Get Down Samples Tech & Tribal Grooves.

We are committed to providing you with the most up-to-date sound with professional samples that can aid you at the beginning of your career or give you an exciting new perspective on your productions. Sixty unique hits & 60 individually designed swooshes are included.
