

iPromo – App Presentation (Videohive 19256466) - AE Project

2025-02-10 16:41:47 label 我要反馈 下载页面

iPromo – App Presentation - AE Project VH-19256466: This template lets you quickly create a short promotional video to promote your application. You just need to insert images or screenshots or video demonstrations, and then show the key functions of your mobile app. The research shows that brief promo videos are most efficient. Show the top capabilities of the mobile app using this template. Then, you can post the video on the YouTube Channel, on social networks, or your website.
