

Skin Retouch Photoshop Actions Vol 2 (Atn)

2025-02-10 16:57:41 [label 我要反馈](#) [下载页面](#)

Develop your customer base rather than spending your time editing images. The Skin Retouch Photoshop Actions V.2 Kit Actions are simple to utilize. Take a copy and take your imagination take you to a new stage by designing your own distinctive style.

Skin Retouch Skin Retouch Photoshop Actions Kit Actions can be customized easily. After you have played an action, you can simply open the action folder within the layers palette and alter each layer's opacity, blend mode and then you are able to alter depending on the need to tailor the action to suit your individual preferences.

Unlimited Looks

Our sets are the best instrument for controlling artistic expression via the use of layer masks integrated into every action. Each action is completed by either a white or black layer mask that is attached to the layers palette.

Very Simple to Utilize

Actions give you the capability to tweak and adjust them to suit your particular requirements perfectly. We break and bend the rules to create these, and then see what you discover. You'll be amazed.

Highly versatile actions that offer you the top quality editing tools

Skin Retouch is the top-of-the-line skin retouching action kit. This kit lets you edit portraits in just a fraction of the time, using just an elementary understanding of Photoshop. You can make matte effects airbrush, heal, and smooth skin using the same methods that professionals use.
