Shape Out Toolkit v1.5.1 for Adobe After Effects: Enhance your workflow with this efficient script tailored for shape layers, offering various tools to expedite your tasks:

- Anchor Shape Group: Effortlessly relocate the anchor point within your shape group by selecting your desired position.
- Shape Out Null: Instantly generate a null for each Shape Group within a Shape, facilitating animation control for all shapes. Consolidate your animations and streamline your workflow.
- Shape Keys: Add keys at the current time to the most commonly used properties of shapes, simplifying the animation process.
- Maintain Stroke: Ensure consistent Stroke Width for shape layers, even when scaled or nested within parent layers.
- Custom Panel Arrangement: Personalize your panel layout by selecting which tools to display and optimizing your workspace to suit your preferences.

To utilize the script:

- Copy the script into the Script/UI panel of Adobe After Effects.
