Unity Asset - vRuler v1.0.5

2025-02-10 17:01:27   label 我要反馈   下载页面

The Unity Asset - vRuler Measure Tool offers a simple and convenient way to measure distances and sizes within an application.

Users can hold Shift-R and move the mouse to measure distances, click an object to measure its size or scroll to display a reference object at the mouse position. The tool also includes an option to display measurements in feet and inches.
