- Perfect for: Every kind of photo - there's something to suit every person!
- Compatible: Lightroom mobile & Lightroom CC

In this huge package, you'll find the top 10 Lightroom presets by Elena Kamper.

We have not only worked for quite a while and if you are familiar with your Instagram page and the photos you post will now be able to achieve exactly these looks with Lightroom CC and Lightroom Mobile!

It is possible to use it on your laptop and also on your cell phone.

Installation guides are included with the installation file that you be sent an email along with your purchase.

Notes the version of Lightroom 7.3 and all versions prior to it aren't supported.

Lightroom Mobile App is free. Lightroom Mobile App is free and is available in the app stores that are typical.

The presets have been designed to ensure they can be used with as many images as they can, however, it is dependent on the conditions and the intensity of light, and the hues. The majority of the time you need to turn slightly on the intensity, or perhaps other options.

BEFORE you buy iOS 13: Make sure that you've installed the apps "UnZip" & "Adobe Lightroom CC" before buying!
