Painting In Procreate – Paint A Dreamy Cloudscape – Brushes, Color Palette, + Canvas Included: Let's embark on a creative journey together as we paint a mesmerizing and dreamy cloudscape on your iPad in less than two hours! By the end of this class, you'll have crafted a magical piece of art, all within the Procreate app.

Who should join this class? It's perfect for anyone eager to enhance their painting and art-making skills using Procreate. While some familiarity with Procreate is beneficial, this class welcomes both novices and experienced artists. The focus is on experimentation and building confidence through hands-on creation.

Here's what you'll learn:

- Setting up a canvas in Procreate
- Incorporating a paper texture for an authentic painting feel
- Exploring various ways to use a reference photo
- Painting an entire scene by breaking it down and strategically using layers
- Experimenting with brushes to achieve desired effects
- Utilizing blend modes to enhance your painting
- Making vibrant color adjustments to bring your artwork to life

Included in your downloads are essential resources to aid your creative process:

- A Procreate canvas file, ready to go
- A brush set featuring a free custom brush
- A curated color palette
- A reference image of the original painting
- Paper texture file
- Melanie's original sketch

Once you've mastered these painting skills, you'll have the tools to create your scenes, perfect for decorating your space, gifting to loved ones, or even selling. The possibilities are limitless, and the sky's the only constraint!
