Sport Promo 3 in 1 - AE Project VH-35942154: After Effects template 3 in 1 to create the sport promotion and fitness center as well as the gym commercial opening for a sports competition or a review of sports clothing. Inform the audience about a fitness program or a trainer and show the sportsman of your choice or inspire your team to succeed in the midst of a huge new project. It can be combined with any type of sport , such as boxing, dancing, powerlifting, basketball and running, among others.

To make the message more clear in your video, we developed impressive typography, using text backgrounds as well as speedy, simple text animation.

They are easy to use and adaptable in use. They can be used for a wide range of subjects. Choose your colors using Color Control as well as the speed for the video, add your text, then add your logo music and font, and you'll have an introduction with your own concept and mood.
