**Flower Power Mega Bundle CreativeMarket-705846:** That is a Huge package of countless of my bestselling classic And classic blossom and botanical images in my store in addition to my latest set of 100 large scale classic botanicals. You will find silk blossoms and a couple of extras thrown in to the mix for an extra bonus! These classic flowers are a must-have for every designer's arsenal. I hope you find them useful as I have!

I have had numerous requests to relist this package, I thought I would allow the sale stretch just a tiny bit more!

You will get a .pdf file using all the Dropbox links to obtain The documents as entirely the document size is quite big.

- Packed with: Adobe Photoshop, Adobe Illustrator, Adobe Photoshop Elements, Other
- Document Type: PDF
