Blender Market - Breakdown Maker:

Breakdown Maker simplifies the process of creating professional reels and breakdowns, adhering to industry standards.

With features designed to enhance workflow and showcase creative work efficiently, users can animate scene elements, apply various presets, and produce polished demo reels with ease.

- **Animation Presets:** Six customizable presets for animating and revealing scene elements.
- **Turntable Option:** Professional turntables with preset animations and lighting setups.
- **Lighting & HDRI:** Preset lighting schemes, HDRI rotation options, and studio light assets for professional results.
- **Texture Switching:** Toggle between standard, wireframe, and solid color textures.
- **ColorChecker & Reflective Balls:** Industry-standard tools for lighting and color calibration.
- **Render Passes & Manager:** Manage specific passes and automate rendering for all scenes.

Breakdown Maker ensures a seamless, professional presentation of 3D and VFX projects.
