Valentine Titles (Motionarray 903359) - AE Project

2025-02-10 16:47:35　　label 我要反馈　　下载页面

Valentine Titles is a sleek and simplistically animated After Effects template which contains 12 beautiful appearing text animations. They are really simple to use, just edit the text, then fix the colors, and hit quit. You can use them in your wedding, anniversaries, special events, and Romantic instant movies. Impress your audience with this gorgeously designed and Permanently animated AE template. No plugins needed.
