The **Youtube Slides for After Effects** template offers a dynamic solution for crafting engaging social media content.

#### How to use templates to create attractive social media content and promotional videos to design your project?

You can design your project using "Youtube Slides for After Effects".

**Featuring** 5 animated slides with customizable colors and editable text, it adds vibrancy to end screens and promotional videos. Its colorful, comic, and abstract style infuses channels with a dynamic and fun atmosphere, ideal for music videos, cartoons, and lively promos. Whether for branding, presentations, or modular outros, these slides cater to social media channels seeking a unique and creative edge. Key features include 5 animated scenes, full-color controls, a font link, a video tutorial, and compatibility with After Effects 2021 and above.

#### Package information

Published on June 6, 2024, the latest update of the "Youtube Slides" template is compatible with After Effects CC, featuring After Effects Project Files with resizable resolution, 14 media placeholders, and 10 text placeholders.
