Procreate Painting Project – Paint Your Own Phone Wallpaper Art in Procreate:

Join us in creating a cozy wallpaper for your phone using your iPad and Procreate! In under an hour, you'll craft a delightful piece of art ready to adorn your device, bringing a burst of joy every time you unlock your screen.

Who Should Attend:

This class welcomes anyone eager to elevate their painting and artistry with Procreate, resulting in a charming and functional artwork. While some familiarity with Procreate is beneficial, all skill levels are encouraged to participate.

What You'll Master:

- Setting up a canvas
- Applying paper textures for an authentic painting feel
- Crafting complete scenes through layering techniques
- Exploring and experimenting with various brushes
- Utilizing blend modes for artistic enhancement
- Playfully adjusting colors to enhance your artwork

Included Downloads:

- Pre-prepared Procreate canvas
- Exclusive brush set with bonus custom brush
- Handpicked color palette
- Texture file for added depth
- Original sketch by Melanie
- Melanie's finalized wallpaper painting

Upon mastering these techniques, you'll be empowered to create your own enchanting scenes, perfect for personalizing your phone's aesthetic.
