Mzed – Understanding LUTs Theory and Application

2025-02-10 17:11:59   label 我要反馈   下载页面

The use of LUTs is much more than a "creative look" to plug into your final design In this course for beginners AbelCine's tech experts Geoff Smith and Ian McCausland provide you with a comprehensive knowledge of LUTs as well as their numerous uses, how to design your own, and how to most effectively utilize them in post-production and production.
