

Amanda Diaz – Glass & Prism Overlays

2025-02-10 16:58:56 [label](#) [我要反馈](#) [下载页面](#)

A mini bundle of my most beloved and well-loved overlays. Glass & Prisms to bring that sparkle to your photos and portraits.

An overlay is a device that makes it fast and easy to add components to an entire photo or even a small portion of it. It's as simple as drag and drops! If you're not sure how to utilize an overlay, there's no problem in the least. I've provided a guide explaining step-by-step how you can incorporate them into your photos.
