Premium Transitions Film Burn VH-51555334: This After Effects project is compatible with versions 2019 and above, ensuring accessibility for many users. It offers flexibility with available resolutions, supporting 4K and HD formats. You'll find seven dynamic transitions and the ability to customize various aspects, such as the burning point, colour schemes, and transition duration (1-2 seconds). Additionally, the project includes sound effects (SFX) to enhance the visual experience. Best of all, no additional plugins are required, making them hassle-free. A comprehensive tutorial is also provided for guidance.
