Storybook Kit for Procreate CreativeMarket - 7221233

2025-02-10 16:52:18 label 我要反馈 下载页面

Do you find yourself spending hours lost in the enchanting artwork of children's drawings? Would you like to make your own fairytale art?

Storybook Kit allows both advanced and novice artists. Each brush has been meticulously designed to give your artwork an individual, exciting feature that can help create a vivid illustration. There's also a virtual storybook that is able to be used directly using Procreate as well as a custom bookmark...to get you into that magical fairytale world while creating.

In the set are:

32 Brushes 1 Storybook Digital Procreate (8.5 11") 1 Bookmark that can be customized 1 Canvas Texture Texture included in the Procreate File

You require the most current version of Procreate (5.2) to be able to utilize the new "page assist" feature of your digital sketchbook.

How to import Procreate brushes PAPER TEXTURES and COLOR PALETTES. After downloading the file in zip format, unzip and double-click on the brush set for it to automatically upload into Procreate. The texture and color palettes work in an identical way.

Only for Procreate. You'll require the most recent Procreate (5.2). Procreate (5.2). Brushes don't work with other programs or applications.

The software or hardware required to use brushes Make a PROCREATE iPhone or iPad or iPad Pro Apple Pencil
