Presets for Mobile Lightroom Influencers MARRAKECH 5 presets

This preset was created to help me edit my travel Instagram photos from Marrakech. It will create trendy warm/pink colors and let you spend more time photographing and editing.

This preset is ideal for influencers, travel bloggers, lifestyle, and portrait photographers.

Be aware that presets can be used with different photos depending on lighting, tone, and white balance.

PLEASE NOTE PLEASE NOTE!

Mobile Presets are great for Lightroom Mobile App. They can be used with photos taken with an iPhone or Android.

These presets can be used without an Adobe subscription. Simply download the LR Mobile App, and then create an Adobe account.

These presets are compatible with both RAW and jpeg files. For best results, shoot in RAW, or use presets for high-quality, well-lit images.
