Eclleria - Stylish Serif Font Creative Market:

Eclleria Stylish Ligature Typeface is a minimalist font inspired by a popular logo design, ideal for a wide range of applications including templates, brochures, videos, branding, and logos.

Includes:

- Eclleria Regular (OTF/TTF)
- Standard glyphs and web fonts
- Ligatures and international accents
- Compatible with both PC and Mac
- Easy installation and accessibility in Adobe Illustrator, Photoshop, InDesign, and Microsoft Word
- PUA Encoded characters and multilingual support

This font is fully accessible without the need for additional design software.
