### Editable Photo Effect - 280183141:

The "3D Image Color Effect Photoshop Action and Mixed Media Art Photo Template" offers a dual-functionality tool for transforming photos effortlessly.

It combines a vibrant 3D color effect with an artistic mixed media style, accessible through a Photoshop action and a mixed media art template.

With the Photoshop action, users can achieve stunning 3D color transformations with just a few clicks, regardless of their skill level.

The mixed media art template allows for a unique artistic touch by simply pasting photos into the provided PSD file.

This versatile package is perfect for photographers and designers seeking professional-quality effects without extensive editing skills.

It supports multiple Photoshop versions from CS4 to the latest CC2023+ and includes detailed instructions for easy usage.
