## LenoFX - Sidebar Titles for Final Cut Pro:

The Sidebar Titles set includes 30 professionally designed and animated sidebar templates, ideal for displaying additional information in videos. These customizable sidebars showcase titles, paragraphs, bullet points, and other content. They are versatile, as they can be positioned on either the left or right side of the screen. The animations slide in automatically without the need for keyframes, and users have easy control over the slide duration, making it a user-friendly option for enhancing video presentations.
